Our Team

DEVELOPER

Established in 1979, The Related Group is Florida's leading developer of sophisticated metropolitan living and one of the country's largest real estate conglomerates. Since its inception, the privately held company has built, rehabilitated and managed over 100,000 condominium, rental and commercial units. The firm is one of the largest Hispanic-owned businesses in the United States with a development portfolio in excess of \$40 billion in 40+ years.

The Related Group has earned awards and recognition throughout the United States and internationally for its visionary designs and development of luxury condominiums, market-rate rentals, mixed-use centers and affordable properties – often in emerging neighborhoods that impact the lives of all demographics. The Related Group has redefined real estate by diversifying both its products and buyers, expanding internationally while also sponsoring public art installations that enhance cities' global culture and streetscapes.

TIME Magazine named Founder, Chairman and CEO of The Related Group, Jorge M. Pérez, one of the top 25 most influential Hispanics in the United States. Currently, The Related Group has over 70 projects in varying phases of development. In addition, Pérez and The Related Group boast one of the most extensive, private international contemporary art collections in the world, one in which each piece is carefully selected by our full-time curators in order to achieve the perfect balance of nature, art and design.
