OF
WATERFRONT
LUXURY

Riva Residenze is a flawless blend of purposeful design, diverse expertise,
and time-honored dedication to artistry and technique.

UNWAVERING COMMITMENT TO CRAFT

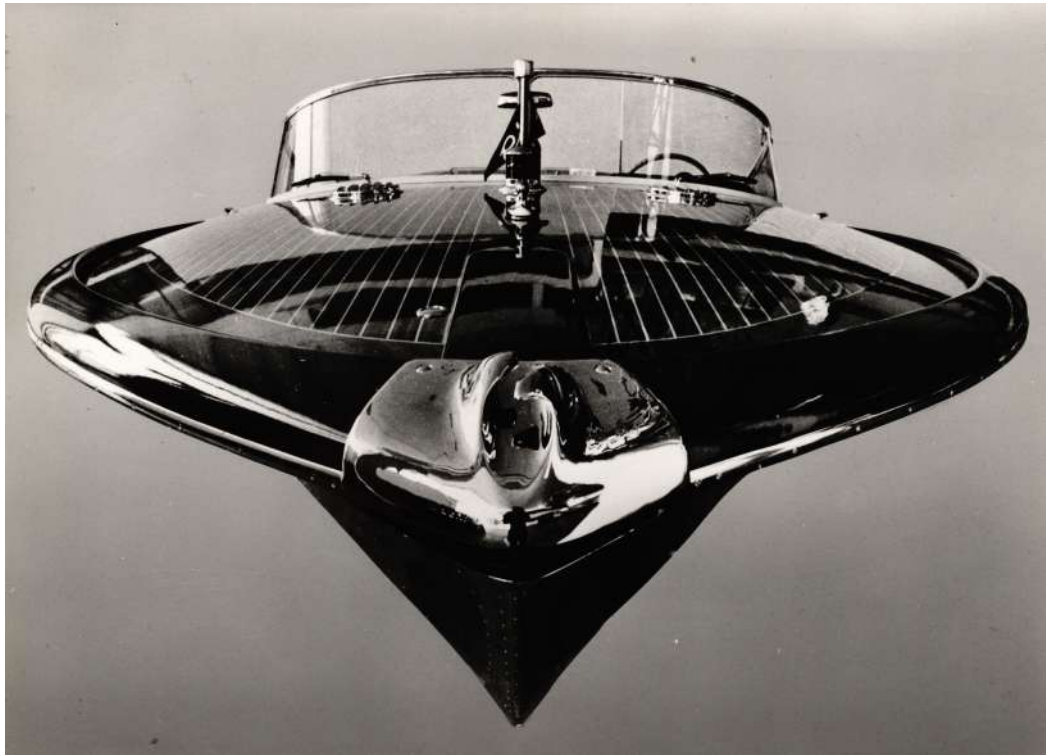

Riva is a symbol of timeless elegance and unparalleled craftsmanship, renowned as one of the world's most iconic luxury boat brands. Founded in 1842 on the shores of Lake Iseo in Sarnico, Italy, Riva began as a small shipyard where Pietro Riva built and restored boats with meticulous attention to detail and artistry. Over time, the brand evolved, gaining a reputation for producing vessels of extraordinary quality

and style. In the 1950s and 60s, Riva rose to international fame under the leadership of Carlo Riva. His vision brought sleek design, polished mahogany, and gleaming chrome finishes to life, creating the legendary Aquarama — a boat that quickly became a symbol of the Italian Dolce Vita. Beloved by celebrities, royalty, and tastemakers, Riva boats became synonymous with glamour and luxury, gracing the waters of the

world's most exclusive destinations.

Today, Riva continues to blend tradition with innovation, crafting yachts that honor their heritage while pushing the boundaries of contemporary design and technology. Each vessel is a masterpiece, reflecting the brand's centuries of dedication to detail.

Riva is the world’s most famous shipyard, a legend of contemporary yachting, a recognized icon of fine Italian artistry, and an extraordinary story of unique savoir-faire since 1842.

Today, Riva is an global emblem of sophistication, elegance, and cutting-edge design.
